Due by: Tuesday, September 20, 2016

Your Task: Choose a person from Ancient History from the list provided. Research some basic information about them, and create a FAKE social media profile for them.

Step One: Join your Google Classroom

How to join:

- You may be sent an email to your school email with an invitation to join the class titled **Social Studies Summer HW**. Click on the link in the email to join.

-OR-

- If you DO NOT receive an email, you must go to classroom.google.com and sign into your LCCS google account.
- Click the + symbol.
- Enter this code: **m3mrfx**
- Click "Join"

Your Assignments:

- Your assignment will be posted in the "Stream" page of Google Classroom.
- Open the assignments, and read the directions.
- After completing the assignment, click "**Mark as Done**" or "**Turn In**" on the assignment.

Step Two: Choose a person from the included list (on the next page)

Step Three: Research your information. Use any materials available to you - don't forget about online.infobaselearning.com. (username= learningccs / password=charter)

Step Four: Choose **ONE** of the social media **templates** (Facebook, Twitter or Instagram) from your **6th Grade SS Summer HW** Google Classroom. This will automatically be shared with Ms. Klaslo when you submit it. ****NOTE: You are NOT creating an actual account. You are using the document in Google Classroom.****

Step Five: Use the template provided in your Google Classroom for your chosen social media site. Complete the template by filling in the required information for your chosen template.

Make sure you double-check your information and that you have completed all required information.
