

6th Grade Summer Homework

Due by: September 19, 2017

Your Task: Choose a person from Ancient History from the list provided. Research some basic information about them, and create a FAKE social media profile for them.

Step One: Join your Google Classroom

How to join:

- You must go to classroom.google.com and sign into your LCCS google account.
- Click the + symbol in the top right corner, and select "Join Class."
- Enter this code: iofqne
- Click "Join"

Your Assignments:

- Your assignment will be posted in the "Stream" page of Google Classroom.
- Open the attached assignment sheet and read the directions.
- After completing the assignment, click "Mark as Done" or "Turn In" on the assignment.

Step Two: Choose a person from the included list *(on the next page)*

Step Three: Research your information. Use any materials available to you - don't forget about [online.infobaselearning.com](https://www.infobaselearning.com). (username= learningccs / password=charter)

Step Four: Choose ONE of the social media templates (Facebook, Twitter or Instagram) from your 6th Grade SS Summer HW Google Classroom. This will automatically be shared with Ms. Klaslo when you submit it. ****NOTE: You are NOT creating an actual account. You are using the document in Google Classroom.****

Step Five: Use the template provided in your Google Classroom for your chosen social media site. Complete the template by filling in the required information for your chosen template. **Make sure you double-check your information and that you have completed all required information.****

- **Helpful Hint:**

- **Right-Click on the different boxes within your template and click "Edit" to change those boxes.**
